ACCESS. ANYWHERE. ANYTIME.

Our secure, mobile application can be customized to meet all your needs. It provides role-based access to users, and can interface with the background investigations package and HR platform of your choice. Your current data can be easily migrated into PermiTrak.

WHAT OUR CLIENTS SAY:

"Each year, we process around 1,700 employee and vendor permits at Paragon Casino. Aztek Gaming Solutions saved us time and money by making it easy for our employees and vendors to apply for a work permit and for us to review and approve it. With Aztek Gaming's software, I can instantly access this critical work information even on my smartphone."

- Rudy Wambsgans, Chairman, Tunica-Biloxi Gaming Commission

"Paragon Casino has more than 1,200 employees and each one needs an active permit to work here. Aztek Gaming Solutions made the process easy for our employees to apply for a permit and for us to review and approve the application. Thanks to Aztek Gaming, I can easily track whether our staff is up-to-date on their permits."

- Marshal Ray Sampson, Asst. General Manager, Paragon Casino
